

TYPICAL CHARACTERISTICS:

Appearance	Clear colorless fluid
Physical State	Liquid
Boiling Point	101°C
Freezing Point	0 bis 3,3°C
Specifi Gravity	1,025 g/ml
pH	9,8 bis 10,8
Odor	added lemon Odor
Water Solubility	100%

TYPICAL USES:

Highly versatile cleaning and degreasing agent that can be used full-strength or in various dilutions on water-safe surfaces, including metal, concrete, rubber, synthetic and plastic. NSF registered for use in food facilities. See label for additional uses.

SAFETY:

Use protective glasses or safety goggles if splashing or spray-back is likely. Use in well-ventilated areas or with local exhaust ventilation when cleaning small spaces. Use protective gloves (any material) when used for prolonged periods or if dermally sensitive.

CRYSTAL SIMPLE GREEN®

Industrial Cleaner & Degreaser

Powerful, industrial-strength cleaning and degreasing without added color or scent

UNIQUE FEATURES

- NSF Registered A1, A2, A4, A8, B1, C1
- Orally non-toxic & biodegradable formula
- No added color or scent
- Trusted non-flammable & non-corrosive cleaner is a safer alternative to caustic cleaners & solvents
- Cost-effective concentrate can be used manually or with cleaning equipment
- Clean rinsing formula meets rinsability standards (validates below 10 parts per million) to support facilities following Good Manufacturing Practices
- Exempt from EPA special handling & personal protection requirements for hazardous materials

APPLICATIONS

- NSF registered for use as a general cleaner in all food processing facility areas including cooking & smoking equipment, floors, walls, utensils and laundry
- Ideal for a wide range of industries including manufacturing, MRO, food processing, commercial kitchens, pharmaceutical, cosmetic, medical, electronic and more
- High performance cleaning power easily cuts through tough grease, oils, built-up grime and residue on equipment, machinery and manufactured parts
- Clean rinsing formula is perfect for surface prep prior to painting, plating or welding
- Can be easily and economically diluted for use in floor scrubbers, dip tanks, carpet extractors, pressure washers, parts washers, steam extractors and foamers
- Powerful enough for intense grime, while gentle enough for continued maintenance of high-traffic areas

DILUTION RECOMMENDATIONS

- **HEAVY:** (25 - 50%)
Tough grease, oil, carbon & soot, baked-on soils, tough soils lodged in porous surfaces
- **MEDIUM:** (25%-5%)
Greases & oils, most metal working fluids, hydraulic fluids, dirt, grime, food residue
- **LIGHT:** (5%-1%)
Dusts, particulates, very light oils
- **MECHANICAL ASSISTANCE:** (5%-3%)
Scrubbing, brushing, pressure, steam, heat, air agitation, etc.
